WAKE THE DREAMING FLOWER AND ENJOY ITS FORTUNE!

Flower Fortunes Megaways™ is a level-up slot set in the middle of a hidden valley of mystical forces and sparkling gemstones. By spinning the reels you are able to extract the mystical forces of the land and awaken the sleeping flower spirit. When awakened, it will reward you with a collection of different features that can bring you incredible fortunes!

## WIN HUGE!

With 531,441 pay lines and extra features specifically designed to boost your win, the only thing standing between you and a HUGE fortune is placing a bet and spinning the flower reels for the possibility of multiplying your bet by x 18 840!

# MEGAWAYS™

## **MEGAWAYS**

The award-winning MEGAWAYS™ system developed by Big Time Gaming adds the extra thrill of each spin being entirely independent, with between 64 and 531,441 pay lines activated. “MegaWays™ is a random reel modifier system that allows any given spin to produce a different number of symbols across the reels, allowing players to experience a totally different game with every spin.

## REEL GAME FEATURES

### GAME LEVELS

Level up to expand the reel and activate new features. Higher levels retain all the features from preceding levels

### LEVEL 1- EXPANDING WILDS

Wilds that expand to cover a whole column, and have a random multiplier. Land multiple wilds for gigantic multipliers!

### LEVEL 2 - RESPIN SYMBOL

When a Respin Symbol lands on the reel a random number of non-winning normal symbols are replaced with new ones. Bonus, Wild, or even new symbol replacers can be added in this way.

### LEVEL 3 - BONUS GAME

Land 3 or more Bonus symbols to partake in an exciting and lucrative bonus game.

### LEVEL 4 - AVALANCHE

All winning symbols explode and are replaced with new ones. Every subsequent avalanche win adds an increasing multiplier starting on x2. The avalanche multiplier stacks with the wild multipliers for even greater wins!

## **MYSTERY FLOWER BONUS GAME**

If 3 or more bonus symbols, present on reels 1-6 on level 4-5, lands in the reel, a bonus game will start when the active spin is done.

The player opens flowers one by one, revealing a prize, that can be either collected or rejected. Collecting a prize stops the bonus game.

Rejected flowers can't be reopened. The last flower is collected automatically.
