Game Levels

Level up to expand the reel and activate new features. Higher levels retain all the features from preceding levels.

Level 1 - Expanding Wilds

Wilds that expand to cover a whole column, and have a random multiplier. Land multiple wilds for gigantic multipliers!

Level 2 - Respin Symbol

When a Respin Symbol lands on the reel a random number of non-winning normal symbols are replaced with new ones. Bonus, Wild, or even new symbol replacers can be added in this way.

Level 3 - Bonus Game

Land 3 or more Bonus symbols to partake in an exciting and lucrative bonus game.

Level 4 - Avalanche

All winning symbols explode and are replaced with new ones. Every subsequent avalanche win adds an increasing multiplier starting on x2. The avalanche multiplier stacks with the wild multipliers for even greater wins!
