

Neo Spin

This 10 payline slot is a nod to the 80's with its colour, style and sci-fi type genre. Backed by 80's music, this is as much fun to play as it is rewarding.

Neo Spin with its fast turns, free spins and expanding wild, all make a trip back in time very rewarding for players.

This is a much nicer way to learn geometry, with hexagonal spheres, triangles and cuboids spinning around, together with a few regular symbols like the 7 and bar. Take some time out to play Neo Spin and experience for yourself the pleasure in playing this slot.

Game Features

Expanding Wild Prism Symbol

If the wild symbol, present on reels 2-4, lands in the window, it expands vertically to cover all positions on the reel in question after which lines are evaluated; it then sticks for a free respin where all other reels spin as normal.

Any line wins on first respin is multiplied by 2. If additional wild symbols land in the window, they too expand before line evaluation and respin procedure is repeated where all wins are multiplied by 3
