

SAMURAI KEN

Samurai Ken

Samurai Ken is packed with 20 paylines and follows the adventures of Ken, a Samurai tiger, and his epic battles with an evil dragon.

The game is played on a 5x3 reel layout and offers players some really realistic symbols to enjoy. Samurai Ken, a treasure chest and the evil dragon are the highest paying symbols on the reels.

Three scatter symbols (which are located on reels 1, 3 and 5) visible in the window at any Respin level trigger Free Spins - which starts a battle between Samurai Ken and the Dragon.
