CHARACTER FEATURES

EXPLOSION FEATURE

The Wizards orb blasts the reels with arcane magic, creating a 2x2 or 3x3 hole in the reel. A well-placed explosion can create a huge win all on its own.

The Explosion feature is only available as long as the Wizard is unlocked.

CHARACTER FEATURES

EXPANDING WILD FEATURE

The Warrior sword carves Expanding Wilds on the reel, covering a whole column. It contains a random win multiplier ranging from 1-6. Unleash a multi-hit combo by landing multiple Expanding Wilds, multiplying their multipliers for huge wins.

The Expanding Wild feature is only available as long as the Warrior is unlocked.

CHARACTER FEATURES

RESPIN FEATURE

The Archer's bow unleashes a gale of arrows, shooting down 3-20 of non-winning symbols, replacing them with new symbols for new win opportunities. New feature symbols may appear among the replacement symbols, enabling exciting feature chains.

The Respin feature is only available as long as the Archer is unlocked.

DRAGON FREE SPINS

When 3 characters have been unlocked, key symbols start to appear in the reel.
Collecting 3 key symbols in a single spin will activate the Dragon Free Spins.
The battle initially starts out with 10 Free Spins but can be retriggered. Dragon symbols appear on the reels, in addition to acting as high paying symbols, they serve as retriggering symbols.

Every time a dragon symbol is removed from the reel by an Expanding Wild sword, respin arrow, or magic Explosion 1 additional Free Spin is granted. In addition a growing multiplier is active, every win adds to the multiplier making the fight increasingly fierce.

When the last Free Spin is used up and the session ends, the adventure will start over from the beginning.
