# HEROES WANTED

The fiend of Dreadmaw mountain have awoken after 60 years of slumber to once again spread terror across our fair kingdom. Let it be hereby declared that the good king Sasha the sixteenth; lord of the realm and rightful sovereign have offered a dukes ransom to whomever can slay the dragon.

In addition any found treasures in the fiends lair may be kept as an additional reward.

May the king's luck be with you!

## SPECIAL SYMBOLS

## NORMAL SYMBOLS

## WIN PROBABILITIES

Big Win (>15 x bet)	1 in 94
Super Win (>40 x bet)	1 in 273
Mega Win (>70 x bet)	1 in 556
Epic Win (>100 x bet)	1 in 937

 **Warning**  
Mimics may appear,  
starting 8 Mimic Free Spins.

Heroes Hunt have 3 unlockable characters, each of them come with their own unique feature.

## WIZARD - EXPLOSION FEATURE

The Wizards orb blasts the reels with arcane magic, creating a 2x2 or 3x3 hole in the reel. A well-placed explosion can create a huge win all on its own.

## WARRIOR - EXPANDING WILD FEATURE

The Warrior sword carves Expanding Wilds on the reel, covering a whole column. It contains a random win multiplier ranging from 1-6. Unleash a multi-hit combo by landing multiple Expanding Wilds, multiplying their multipliers for huge wins.

## ARCHER - RESPIN FEATURE

The Archer's bow unleashes a gale of arrows, shooting down 3-20 of non-winning symbols, replacing them with new symbols for new win opportunities. New feature symbols may appear among the replacement symbols, enabling exciting feature chains.

## DRAGON FREE SPINS

When 3 characters have been unlocked, key symbols start to appear in the reel. Collecting 3 key symbols in a single spin will activate the Dragon Free Spins. The battle initially starts out with 10 Free Spins but can be retriggered. Dragon symbols appear on the reels, in addition to acting as high paying symbols, they serve as retriggering symbols.
