LOST MUMMY TREASURES

Lucky Player's Choice

At the heart of the game lies an innovative interactive feature where the mystery unfolds – the **Lucky Player's Choice**

After a series of nudges triggered by special **Mystery symbols**, you are invited to **predict which symbol will appear once the reels are revealed** – a paying symbol or a Wild.

Mystery symbols

The Mummy introduces multiple layers of Mystery experiences. **Silver Mystery symbols** offer exciting outcomes, while the special **Golden Mystery symbols** hold the key to the greatest treasures, revealing only high-paying symbols.

LOST MUMMY TREASURES

Bonus game

During the **Bonus Game** that triggers **3 or more Scatter symbols**, once the **"Lucky Player's Choice"** feature is activated, the selected symbols remain **locked** in place until the end of the bonus rounds, increasing the potential of the feature.

Super Bonus Game

The experience reaches its peak in the **Super Bonus Game**, where only **Golden Mystery symbols** appear and stay locked until the very end – guaranteeing the **reveal of the most valuable treasures**.

Bonus Store

We have a **Bonus Store** that allows players to activate features and **launch Bonus games** even faster.

The players can buy gameplay possibilities by activating the features **Guaranteed 3 Mystery** and **Guaranteed 5 Mystery** with a chance to activate **Silver** and **Gold mystery symbols** for the future **Lucky Player's Choice**.

Direct purchase and launch **Bonus Game** and **Super Bonus Game** for even greater emotions from the gaming experience.
